Greetings from your President

Colleagues and Friends,

Happy New Year everyone!

I hope y’all had a great holiday season and are ready to get going again... Maybe even your New Year’s resolution is to volunteer more with your local Society of Fire Protection Engineer chapter!

We have an exciting event coming up with the local Future City Competition. Jack Smeeck has volunteered to be one of our special judges and we will be looking for another volunteer to help him out. The Future City Competition is a great way to introduce students to STEM.

I hope to see you all at our next meeting to kick this year off to a great start!

See you there,

Rob Hanson
